Working with acclaimed manga publisher VIZ Media, IDW is pulling together two of the most popular comics in the world to bring you the four-issue comic book event of 2025!

Having guarded April O'Neil on her journey home from the Hidden Leaf Village, the Teenage Mutant Ninja Turtles and Team 7 are ready to relax, pick up some dinner, and call it another successful mission. The bright city lights of Big Apple Village cast dark shadows, though, and when they return to the Turtles' lair, it's been ransacked. April and Splinter are gone, and there's only one person who could be responsible. Naruto, Sakura, Sasuke, and Kakashi must help save both their missing comrades and April's sample of mutagenic ooze before it's too late, or Shredder's single-minded pursuit of power won't just threaten one village, but them all.

The crews of the *Theseus* and the *Defiant* are scattered across the universe with no memory of who they once were—some even worship Lore as their God. Lore has won; his rule is absolute. Can skateboarding save the world?! Level up from total noob to cosmic hero in this totally epic graphic novel that will kickflip your brain.

Sam and her little sister, Gearhead, just wanted a crew to belong to. But when the Too Cool Crew takes over their skating territory, this motley bunch of misfits will have to seriously level up if they want to win it back. Along the way, they'll encounter a whole circus of wacky weirdos, including an overzealous security guard, a shadowy group of spooky ghouls, a mysterious cult of woodland creatures, and—*gulp*—an all-powerful ancient god of skating!

Packed with unforgettable characters, mind-blowing action, and more twists than an X Games street course, *Shred or Dead* is the story of four weird kids with a chance to become legends...if they don't garf it up.
